MEMORANDUM FOR: [REDACTED] Security Officer/CIA
SUBJECT : [REDACTED] Security Officer/[REDACTED]

25X1A

25X1A

1. Recently Security Officer [REDACTED] returned from an escort trip to [REDACTED]. Upon his return he informed me that [REDACTED] has indicated that it would help him immensely if he had a current list of all [REDACTED] and [REDACTED] in the Far East.

2. Along this line I think it would be definitely in the best interest of the [REDACTED] System if a representative of the [REDACTED]/CIA would in the immediate future visit [REDACTED]. The purpose of the visit would be to very comprehensively brief the [REDACTED], on the fundamentals of the [REDACTED] System. In addition I would suggest, and I am sure that the Director of Security would agree, that these officers incidental to their periodical audit of the various FE stations should discuss with cleared individuals, in certain of these stations, the [REDACTED] Security System. Along this line I would suggest that the senior Security Officer, [REDACTED], be considered the key individual in the whole FE area on [REDACTED] Security System matters. He should be periodically provided with a current list of individuals cleared in the area.

3. Additionally I would think it appropriate if [REDACTED] were also placed in a similar strong position with regard to the "T" System.
